

### **Request under the Freedom of Information Act 2000**

Please can I request under the Freedom of Information Act the following information in relation to the Abingdon Area DHQ Private Finance Initiative contract:

The projected total (whole life) cost of the scheme, in £, detailed when the scheme was first agreed (i.e. the original projected cost of all Unitary Charge Payments over the full life of the scheme, including inflation projections).

### **Response**

The OPCC can confirm that there is some information held in relation to your request.

We paid £1.17m in 2000/01, the first year of the agreement, the term is 30 years so that would imply £35.1m before indexation or any benchmarking or contract changes. The information requested is in excess of 20 years old and hence is no longer available on our systems.
