## Minutes:

Discussion of stats – considered too complex in their current format to digest easily or to share with the community in a meaningful manner.

Preference to choose a particular area each meeting and request data on that for sharing in advance of, and discussion at next meeting

**ACTION 1 (LH):** Organise data on detention of under 18s in police custody to include:

- Geographical spread
- Demographics
- Overnight stays in custody
- Length of detention
- Gender
- Age groups within 10-17 as much as possible
- Weekday / weekend and time slots if possible

Workstream 3 focus – John Batty - Discussion of presentation.

Discussion of phrasing change from 'hard to reach' to 'seldom heard' – was a national shift.

**ACTION 2 (LH):** Share presentation to all members

Opportunity for ISOB members to meet with LCU Commanders to discuss

**ACTION 3 (LH):** Organise introductions between LCU Commanders and ISOB members

Trust & Confidence Strategy update – Will Bergstroem – Discussion of strategy.

**ACTION 4 (LH):** Organise introductions between LCU Commanders and ISOB members

**ACTION 5 (LH):** Share T&C survey questions with ISOB

TV Alert & KIN Database

**ACTION 6 (All ISOB members):** Register before next meeting. QR code sent with pre-meeting pack
