Contract Award (and COR) Sign-Off Sheet

It is the responsibility of the Procurement Department to complete and present this paper to the CGB (this may be by a virtual process)

By approving this document the Commercial Governance Board confirms acceptance of the detail contained within this document, approval to proceed with contract award, implementation and realisation of the benefits.

In the case of a Procurement which results in a new contract (or extension) the document replaces the previous award paper, and has a section for the relevant sign-offs below.

The Commercial Outcome Report (COR) is the approval to award a contract, following completion of the procurement process. It confirms that the process has been conducted in line with the recommendations approved in the CLD and procurement rules, that the original need is still justified and that the recommended supplier offers value for money within the agreed budget (or that any variance is accepted). At this point, the requirements and specification cannot be altered. **The COR serves to confirm acceptance (or rejection) of the procurement outcome as defined, rather than to revisit or change the agreed approach.**

PART 1 – FOR PUBLICATION ON TVP / PCC INTERNET SITE

Public access to information

The information in this COR is subject to the Freedom of Information Act 2000 (FOIA) and other legislation. Part 1 of this form will be made available on the website within 1 working day of approval. Any facts and advice that should not be automatically available on request should not be included in Part 1 but instead on a separate Part 2 form. Deferment of publication is only applicable where release before that date would compromise the implementation of the decision being approved.

Executive Summary and Recommendations

1.1 BACKGROUND

A contract for the provision of interpreter services is to be awarded to DALs for TVP. This was based upon their capability and capacity to meet the very complex nature of this requirement.

1.1.1 Current / Baseline / Budgeted Spend £840,000 PA

Subjective Codes: 3526

1.1.2 Summary of requirement and process:

The right to an interpreter is an integral part of the right to a fair trial. It is a principle of common law that the defendant must be able to understand the charges made against them and be able to properly defend themselves. The right is also enshrined in the European Convention on Human Rights. This service is a statutory requirement that is fundamental to the policing and criminal justice system. In order to support the gathering of evidence, interpreters are also used to obtain witness and victim statements.

1.1.3 Regulation 84 form has been completed and is at Appendix A (Note that by default a regulation 84 form should be completed in all circumstances). This is a record of the exercise required to be kept by the Cabinet Office.

1.1.4 Contract Terms and Conditions: The suppliers meet all the requirements of the contract terms and conditions and specification and offer the Most Economically Advantageous Solution, as assessed through the evaluation process.

1.1.5 Legal Implications: There is not a legal mechanism to award to a second place bidder. However, guidance is we must act proportionality. As our requirements have not changed, and little time has passed since we conducted the

initial competition we do not feel we would the scores would differ from the evaluation undertaken. We therefore propose to award to the second place bidder

1.1.6 Equality and Diversity: There are no specific issues with regard to Equality & Diversity with this award.

1.1.7 Social Value: TBC

1.1.13 FINANCIAL IMPLICATIONS - Finance

TVP Accountant - To be completed by the Accountant – this is to include comments about if the recommended contract award value may lead to an increased risk of an overspend to the current budget(s).

(PA23) SF027 – Issue 10 Apr 2026

Based on a 3 month 9 month split given the existing contract covered the first 3 months of the Financial Year, there will be an overspend against the budget of £80k in 26/27. However it is recognised that this is a required service.

3 year	£2,957,335
1 year	£985,778
Month	£82,148
Budget 26/27	£862,764
Estimated TBW Spend (Apr - Jun)	£203,534
Estimated DALs Spend (Jul - Mar)	£739,334
Estimated 26/27	£942,868
Estimated Overspend 26/27	£80,104

Is the value of the contract within budget
NO

(if No can it be covered in another department budget)?
NO - this will have to be declared as a force overspend and receive growth in 27/28 to manage the contract price.
