09 October 2026

Dear

I write in response to your Freedom of Information Act (FOIA) request submitted on 05 October 2026.

The Office of the Police and Crime Commissioner (OPCC) for Thames Valley has now considered this request, which for clarity, has been repeated below:

<u>Request</u>	<u>Response</u>
Message: Please can I ask for all relevant information involving the Police and Crime Commissioner's meetings, correspondence and activities relating to road safety and speeding enforcement on the following roads within the Thames Valley Police area: A417 A338 A4074 A415 A4185 B4016 B4001 B4507 B4494 A4130 B4493 B4017 B4001	A = No data held. To explain, the Police and Crime Commissioner's (PCC) meetings do not stipulate road names in the subject matter, neither does the correspondence received at the Office of the Police and Crime Commissioner. However, under Section 16 of the FOIA, I am pleased to provide the following data, which I hope will be helpful to you: 176 correspondence received regarding road, traffic or speeding issues. Further, please see the attachment with a list of meetings and 2 correspondence sent to the PCC directly.

Please could I ask for it to cover the last two years? So from October 2024 to present?	I have edited out the names of persons outside the OPCC to protect their right to privacy.
